THE STETSON CAMPUS

which is dedicated to -

Miss Etter Turner

In every big machine there is a mechanism which is very obscure to the observer, but in the operation of that machine this small part is continually working to ensure its smoothness.

In the Stetson machine there is a person who fulfills just such duties as this wherever and whenever she is needed. She is the person that every individual runs to for help in every phase of campus life. For her patience, sincerity, and understanding we dedicate the 1946 Hatter to Etter Turner, Dean of Women.

THE ADMINISTRATION

THE PRESIDENT'S MESSAGE

The session 1945-46 is one of outstanding achievement. The enrollment has increased to more than 800, as compared with a total of 477 one year ago. We are especially delighted that so many veterans are returning, including a number of our faculty members and former students. Students and faculty have given their best to make Stetson finer in scholarship, finer in culture and finer in the development of Christian character. The Million Dollar Improvement and Development Campaign is progressing. More than a quarter million dollars in cash has been received. The \$100,000 addition to Stetson Hall will be completed before the opening of the 1946-47 session. The individualized program and the quarter system have proved successful. The Law School will reopen in September, 1946. Thus Stetson continues to go forward!

I extend greetings and best wishes to the Stetson Family everywhere.

Sincerely,

WILLIAM SIMS ALLEN, President

HARRY C. GARWOOD Dean of the University

BARBARA ROWE Registrar and Associate Dean of Women

This representation of the "Life on Stetson's Campus" was planned for the enjoyment of you who have made the "Life." It is the hope of the staff that you will derive as much pleasure from the perusal as they did from the production. THE EDITOR

Due to the uncertainties of registration under the quarter system, there are many students who were unable to have their pictures taken. Therefore, in order to make this representation of the Life of Stetson as complete as possible, we present the names of those students whose pictures do not appear in the class divisions

LIFE, as we see it

Life on Stetson campus 1945-46 was right on the beam as usual—we lived a fast and furious pace, but we love it. So many things happened that if a person went to sleep (as most of the boys usually did in class), he was just left out.

Like the breaking of the ground for the addition of Stetson Hall. Yep, the million dollar campaign was still going strong. I can hear the band now, playing as we had our picture taken. Gosh, Stetson's a wonderful place.

The benevolent upperclassmen were almost ready to go home after they'd been to Freshman talent night. The only way they could get their poise back was to command the lowly rats to recite their "creed." Honestly though, that talent was simply super and after they took rat week on the chin and we got tired of seeing little green hats we decided they could stay. You'll have to admit they do liven up the place.

Never again will the girls' Gym look like it did the night of the Halloween Carnival. The evening was just perfect and the crowning blow was to see some of the men members of the faculty in the pie eating contest. I think Dr. Allen knew when he asked Bud Dickinson to take his place by "proxy" that he would win but the other men put up a tough fight—as their shirts will plainly show.

The sororities had an awful hard time choosing who to pin their ribbons on but one Saturday morning in November they bloomed forth. Ribbons, ribbons everywhere and none without in sight.

And one of the biggest and best achievements of this year was to see THE STETSON REPORTER revived again. Everyone had to be real careful not to be written up in "Campus Collections" cause those snoopy reporters do get around.

For the first time in the history of Stetson we were asked to submit a candidate for the Orange Bowl Queen in Miami. Remember how excited everyone was in chapel that day when the winner, which was to represent Statson was announced—June Hood. Stetson could not have been better represented.

Then came the best time of the year—Christmas vacations. Three whole weeks at home—

no classes, no studying, no nothing. But everyone missed Stetson so, they were back on the 2nd of January, and what a glorious sight "gals," over a hundred veterans. Oh! Happy day! The student body passed the 800 mark for the first peace time year.

A hundred boys and no place to live, so what do we do but put them in Eastwood Terrace. The girls mouned it was a little off campus but it didn't take those boys long to catch on. What's the matter of a few blocks!

Stetso ncontinued to go forward in the winter quarter as new additions were made to the faculty. Dr. Hugh McEniry, as head of the English department, Professor Edward Furlong, in the School of Business, and Mr. James Albritton, Alumni Secretary.

Oh, those basketball games. Remember that Stetson-Southern game? It makes my throat sore to think about it. We were so proud of our green and white Hatters.

The Little Theater drew record crowds at every performance and we're not surprised with plays like "The Yellow-Jacket," "Claudia," "The Cradle Song," "The Torch Bearers," and "Mid-Summer Night's Dream."

The stunt night during Religious Focus Week was enough to go to Stetson a whole year for. Everyone has talked about that week for a long time after. It was the one week out of the year that lessons, or dates weren't the chief topic of every buss session, so we know it went over in a big way.

A school year would not be perfect without old shoes and rice for someone and this year it was Jerry Kunes and Ginny Nelson. They sure gave us the slip by going to Georgia for the ceremony. And Bob and Annette Clark came back to school bringing a third party—just another one of the Clark boys.

Yes, life is a wonderful thing at Stetson, but we have to take the bad with the good. And by the bad we mean EXAMS. With exams and seeing our favorite seniors graduating — we cried buckets—it will take us the whole summer to rest up to tackle another Stetson year—but that is life as we see it.

1945-1946

ELECT DAVIS EDITOR

BETWEEN US **FRIENDS**

By FELTON P. DAVIS, Jr.

Two capable men are opposing me for the office of editor-in-chief of the Stetson Reporter. One, John Howell, is to my understanding a clean-cut, good, Christian boy. I admire and respect such a person.

The other, Bill Fisher, is also my friend. Bill is a top-notch newspaperman, and to my knowledge is a well-meaning individual.

Both my opponents are well qualified men with good journalistic backgrounds. Bill is at present managing editor of the Reporter, and John is news editor. Before voting for your 1948-49 Reporter editor-in-chief, consider their abilities and past experience.

After you have carefully judged these men I would appreciate a moment of analyzation. Glance over this campaign literature—put into newspaper form for your reading pleasure-and after you have read it, sum up my qualifications and past experience.

If you believe my record qualifies me for the position of your editor, then I would appreciate your vote.

for the fine work he has done for on the Stetson extra-curricular Joe Sutton is to be commended the Independent parties. During the past year Joe has worked endlessly. Today he has an organization the entire school is proud of.
Johnny Cannon is to be recog-

nized for the spelndid job he has done as manager of the All-Stetson party. Johnny is a little fellow, but when it comes to work he usually gets more done than most big fellows.

Only through keen competition will Stetson get the best leaders. This year the competition is topnotch.

May the political fight stay as clean as it has been so far. Good luck to all.

PERRIN-SUTTON HAVE COMMENDED DAVIS FOR HIS WORK

Joe Sutton and Tom Perrin said, "Orchids to Felton Davis, through whose efforts the plans for the special football train to Orlando is taking shape. Fred Owen and Felton are to be commended for their interest in this project that promises to be one of the biggest events calender."

This was the opinion expressed by Joe Sutton and Tom Perrin of Davis' work on the Rollins-Stetson Excursion train. The above quotation is from their column, "Hatter Chatter," printed in the Stetson reporter, October 15, 1947.

DICKINSON APPOINTS DAVIS CHAIRMAN

October 15-Student Body President Fred "Bud" Dickinson has appointed Felton P. Davis, Jr., student chairman of extra-curricular activities committee for the school year of 1947-48.

CANDIDATE OFFERS **NEWS FOR ALL**

(Special)-"The Stetson Reporter should be left a free organization to express the unbiased opinions of the entire Student Body," said Felton P. Davis, Jr., candidate for election to the office of editor-inchief of the Stetson Reporter.

With no reflections on the present staff of the Reporter, Davis declared he is in "favor of a free Stetson Reporter for all College organizations. A college newspaper should be-and will be if I am elected your editor-the volce of the entire Student Body and not an instrument for publicizing oneparty opinions."

Davis stated he will fight any group-elected or not-that attempts to single-handedly run or control the Stetson Reporter,

College Record

Active in many campus movements, he was responsible for the Excursion Train to the Rollins-Stetson football game last Fall, and is at present student chairman of extra-curricular activities.

He is past associate editor of the Stetsonian and at present does sports publicity for the Stetson News Bureau.

TOP-NOTCH RECORD IN HIGH SCHOOL

Felton Davis attended Orlando Senior High School and was editor of the school's newspaper, sports editor of the annual, received honorable mention in the Annual Irving Bachelor Short Story Contest sponsored by Rollins College in 1942.

He was state chairman of the 1942 Hi-Y Convention and was president of various high school organizations. Davis was a member of the OHS track team and a letterman on the tennis team.

MINISTERIAL ASSOCIATION

The Ministerial Association of John B. Stetson University is composed of students enrolled for the ministry. The purpose of the organization is to promote the spiritual fellowship and the general welfare of the members both on the campus and throughout the state. The members receive practical experince in religious work through participating in B.S.U. and other activities. A number of the members have pastorates near the campus and others do supply work over the state.

ALPHA DEXIOMA

Founded at Stetson University May, 1940

Colors: HUNTER GREEN and GOLD

Flower: TALISMAN ROSE

Motto:

For friendship and understanding

M. ACOSTA M. ANDERSON

PURPOSE

The purpose of Alpha Dexioma is to promote democratic friendship and understanding among its members; to broaden the social, cultural, political, athletic, and religious life of the members and to assist them in every way possible. All women in Stetson University who are not affiliated with a national social organization may become members.

The calf with a price on her head

You don't have to be a cattle man to know that the name of a good strain can mean a lot in a calf.

Take the name "Guernsey," for example. A calf that carries that name can command respect. For over the years, cattle men have come to know pretty well what a Gurnsey's worth—

and what to expect of one. Cood trademarks and trade names command respect for merchandise, too. For they ttell you exactly who stands behind the product — and what you can expect from it.

That's why, over the years, folks have put a lot of stock in familiar names. Trustted names. Trade names. Names they know they can depend on.

You see it every day in stores. How much less "selling" it takes to sell you

on a product that earries a well-known brand name. So put your trust in trade names—they speak honestly for the product.

A trademark you can trust

DELAND CHAMBER OF COMMERCE

OFFER

Congratulations to the Graduating Class

OF

JOHN B. STETSON UNIVERSITY

•

Deland is located in the ridge section of east central Florida, 110 miles south of Jacksonville, four miles east to the picturesque St. Johns river, famous for its black bass fishing, and twenty-two miles to the renowned beaches of the Atlantic seaboard. Being centrally located practically every point of interest in the strate may be visited within one day's drive.

DeLAND enjoys a delightful year 'round climate. There is scarcely a day that the sun does not shine, sending forth its ultra-violet rays. Children grow strong and sun-tanned, the older people add vears to their life's span. DeLand is a beautiful city, appealing to those of educational and cultural background. It is a friendly citty—a city you will like.
